Customer Problem Statement Template:

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love.

A well-articulated customer problem statement allows you and your team to find the ideal solution for the challenges your customers face. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

I am	Describe customer with 3-4 key characteristics - who are they?	Describe the customer and their attributes here
I'm trying to	List their outcome or "job" the care about - what are they trying to achieve?	List the thing they are trying to achieve here
but	Describe what problems or barriers stand in the way - what bothers them most?	Describe the problems or barriers that get in the way here
because	Enter the "root cause" of why the problem or barrier exists - what needs to be solved?	Describe the reason the problems or barriers exist
which makes me feel	Describe the emotions from the customer's point of view - how does it impact them emotionally?	Describe the emotions the result from experiencing the problems or barriers

Example:

I am a traveler	I'm trying to book flights on my phone	But it takes a long time	Because The website is not responsive and doesn't have a mobile version	Which makes me feel Frustrated
--------------------	---	-----------------------------	--	-----------------------------------

Web phishing problem statement:

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
------------------------	-----------------	---------------	-----	---------	---------------------

Global Sales Data Analytics	User who purchase products online and make payments through e-banking	To find suggestions of the product based on the past history of purchases and actual reviews of the product.	Sometimes suggestions and advertisements are displayed irrespective of their personal choices and interest.	The new software sales tools used to analyze the customer data might not provide right suggestion of products.	Stressed, confused and consumes lot of time in picking the right product.
-----------------------------	---	--	---	--	---

Global Sales Data Analytics problem statement:
